How do I change my college choice?

You may update your final school choice on the **My Profile** page at <https://aim.applyISTS.net>. If you are chosen to receive an award, it will be your responsibility to make sure your college is updated at least 30 days prior to the check issue date stated in the award notification so your check can be issued accordingly. This will not update any application or acceptance forms; however, all awards are issued based on the **My Profile** page.

How do I know if my application is complete?

Allow five to seven business days after uploading documents for your online status to update. You may monitor your status of your application on your home page at <https://aim.applyISTS.net>.

- **Started:** items are needed or are being processed. To see the items, click the grey or yellow 'Started' tile next to the application title. This will open another box listing all required items and the current status of each.
- **Complete:** all required forms and attachments (if applicable) have been received and your application will be considered for the scholarship.

How and when will I receive notification?

- Notifications are sent to recipients and applicants not selected to receive an award **via email** by the end of December. For recipients, an **Acceptance** link will be displayed on the home page following the notification.
- Add donotreply@applyISTS.com and contactus@applyISTS.com to your email address book or "safe senders list" to ensure these important emails are not sent to your junk mail folder.
- **Do not 'opt out' of any email sent from donotreply@applyISTS.com or contactus@applyISTS.com. You may not receive vital information regarding your scholarship applications.**

Note: Your email address will only be used to communicate with you about your scholarship applications or other opportunities administered by ISTS for which you may be eligible to apply. We will not provide your email address to any third parties.

What are my responsibilities if I am chosen as a recipient?

You must enroll as a full-time student in the spring of the year in which the scholarships are awarded, continue the entire semester without interruption unless approved by scholarship sponsor, deliver your scholarship check(s) to the proper office at your institution, and notify ISTS should your check not arrive within 30 days of the issue date.

How and when are checks issued?

Checks will be issued in late December to each recipient's mailing address and made payable to the institution on the profile page.

Are scholarships taxable?

Tax laws vary by country. In the United States, scholarship funds used exclusively for the payment of tuition or textbooks are normally not taxable. The scholarship recipient is responsible for taxes, if any, that may be assessed against his or her scholarship award. We recommend consulting your tax advisor for more guidance.
